SENATOR NICHOL: All those in favor say aye. Senator Marsh, do you wish to say something?

SENATOR MARSH: I'd like to mend his motion please to one-forty because we are eleven minutes over now. There are some of us who have commitments that are going to take an hour and a half which is the time we had anticipated and I would respectfully request that this body amend the motion so that we are due back at one-forty. That is still two minutes short but let's not be twelve minutes short.

SENATOR NICHOL: Senator VonMinden, would that be agreeable with you? Alright, so we can get this to a head. All those in favor of adjourning until one-thirty please say aye, opposed. A machine vote has been asked for. The question is, shall we adjourn until one-thirty. All those in favor vote aye, recess. We are voting to...the question is, shall we recess until one-thirty. All those in favor signify by voting aye. A simple majority. Record.

CLERK: 25 ayes, 5 nays to recess, Mr. President.

SENATOR NICHOL: We are recessed until.....(mike not on.)
